

Good morning Orchid!

Please read all of this before starting.

Sections to this update are:

- **Logging on to your email account**
- Please do this! Notes for the day.
- Funstuff for when you are bored.
- Maths
- English
- Spelling using <https://spellingframe.co.uk/>
- Reading out loud
- Safeguarding for emails

### Logging onto your email account

If you are stuck, type 'how to log into gmail' into Google. It comes up with a step-by-step account. **I also put a blog post on the blog with how to do it, so look there too.**

- **Please read this very carefully. Take your time reading this.**
- **Powerpoints are now in pdf - no more issues!**
- **I can see whatever you do (or don't do) on Doodlemaths, Read theory, TTRockstars and Mathletics. Make sure you do your daily quota.**
- **Any questions? You know how to email me (start typing E in the address bar and it should pop up).**

### Fun stuff for when you need something different to do (optional):

30 day Lego challenge

30 day Art/DT challenge from <https://themumeducates.com/> both found in the 30.03.20 daily instructions.

PLEASE share your creations with me.

Today you will have maths, Doodlemaths, English and spelling.

### Maths

Today's tasks:

1. Yr5: You are converting improper fractions to mixed number. This should just be a revisit for you as we have covered this. Use the knowledge organiser to help.  
If you are stuck, then watch these videos on the subject (BBC has interactive bits as well):  
Mathantics (<https://mathantics.com/lesson/types-of-fractions>) or  
BBC bitesize (<https://www.bbc.co.uk/bitesize/topics/zhdwxnb/articles/zxcfity>).
2. Yr6: Next step for ratio: ratios and fractions. Go through the presentation pdf making sure that you understand each part. Complete one of the variable fluency task sheets on ratios.  
If you are stuck, check out this BBC Bitesize page which has 3 videos on ratio. Check out the first 2 videos. <https://www.bbc.co.uk/bitesize/topics/zsq7hyc>

3. Do your daily **Doodlemaths** quota which is your 5/7/10 a day, anything in New and any Extras.

4. **TTRockstars** studio games (20) need to be done by the end of Friday.

### English

Thank you to those of you who participated in the radioblogging.net yesterday (Izzy and possibly Ana, Emily, Jess and Millie????). Following on from the dragon theme, I will send you a picture prompt in your daily email called 'Dragonworld' to write a story in 3<sup>rd</sup> person. It will come with a ready-made piece of writing and some questions to get your imagination flowing and help give you ideas. Use as you see fit.

### Success (you need to use ALL of these)

1. Around 200 words
2. Capital letters and full stops checked, names with a capital
3. No spelling mistakes (look for red lines)
4. MAPOS
5. Complex sentences
6. Adjectives (commas needed!) and adverbs for description
7. Write either what happened next or end with the scene in the picture.

### Spelling

In your daily email today (by 8am), I will give you your log in details for

<https://spellingframe.co.uk/> It has been highly recommended and seems to be quite a lot of fun with plenty of games. When you log in, you will find some work set for you which shouldn't take too long.

### Reading out loud:

Make sure you read for pleasure - even if it is reading a cookery book, a comic, a newspaper or a magazine. If an adult is available and not too busy, then try to read out loud to them.

### Safeguarding:

Make sure that you email me using your school account and not your home one. I always blind copy (bcc) in Mr. Rockey. If I don't reply to your home email, then check your school one and I would have replied there. All to keep you safe!
