ENGLISH

ONLY THIS: Lockdown diary entry: 1hour

Please unshare and re-share your work with me every time you finish a piece of writing. I will miss out putting comments on you work if I don't get an email that day saying that you have shared with me.

As you may know, the only reason I am getting you to write a diary every day is because these couple of months have been special in history. A time like this has not happened since WWII. Today, you are just going to answer a set of questions which should be dead easy..

Copy and paste them into your Google doc (or other, but not blog) and then answer them.

I hope, that when we are back in school I can print out your diaries with your blog entries and any photos, and they can be kept as a record of these times for when you are older.

For example - the first Christmas stamp I remember was this one:

2.5p!! Second class (I think) I have just found out when it was out and I would not have remembered it **that** year (my class had a stamp drawer where stamps were collected - I loved it and I guess this stamp was in there).

A pint of milk in 1982 was 20p

A Mars Bar in 1990 was 26p

A loaf of bread in 1970 was 9p

But memories are really strong. I want you to catalogue memories from this year.

So, your task is to write as fully as you can, researching/asking your folks for details if you don't know them. The fuller the details the better.

1. What is the price of a first class and a second class stamp?
2. What is the price of a Mars Bar?
3. How much is a pint of milk?
4. What is your favourite sweet at the moment?
5. Where do your family usually go big shopping (e.g. Tesco's Extra, Trowbridge)?
6. What is the price of the loaf of bread that your family like to buy?

Mum,

Dad,

mum's parents and dad's parents (Grandparents),

your siblings, any other family member that you usually see often?

Remember to name them!

15. What are you missing at the moment?

26. If you could only have 1 thing with you on a deserted island, what would it be (most treasured item - no mobile phones allowed!)
27. What did you last bake?
28. What do you want to be when you are older?
