

12.05 20

Hi Orchid! How this finds you well.

Today is Albie's birthday (I saw him in school yesterday and he reminded me).
Leave him a Happy Birthday message on the blog!

A quick letter today:

Maths:

Yr 6: 2 flavours of time SATs questions

Yr 5: Reasoning problems based on the lesson from yesterday. Re-watch if you need to.

Doodlemaths: Daily questions to complete.

English:

Yr6: A silly reading SATs paper to complete and find the mistakes for!

Project:

Continue with your research from yesterday- parents, grandparents and great grandparents (details from yesterday).

Please do not do a blog post with your findings in. I will return it to you. Decide on how you would like to record your information. NOT IN BLOG POSTS.

Diary Entry:

What did you do yesterday? What did you do that was new/memorable/special? What did you have for breakfast/lunch/dinner? What do you hope to do THAT IS NEW today? Make plans!

Wider curriculum:

Geography based. All information in the curriculum area of the website or in yesterday's letter.

Be kind to yourselves and laugh lots!

Mrs. T.
