

20.07 20 Hello from Mrs. T.!

Morning, Orchid class!

It is a sandwich day! 20.07.20 The last one of this academic year!

Today's email: the electronic copy of First News!

Leaver's assembly/whole school assembly via Zoom
Wednesday 1:30pm. Yr5s - I need your Yr6 presentation videos if you haven't already sent them to me. I need the actual writing on Monday to make sure that they are all school in time. I can come and pick them up from you, so email me. Any problems, email me!

Your tasks to complete by the end of Tuesday:

Online tasks: It is important that you complete these fully:

Daily Doodlemaths: (Mon and Tues) *You are supposed to do this first!*

Well done to Charlie, Daisy and Millie, Ana, Cam, Lucy, Maiwen, Megan W. and Spike for 5 day streaks last week.

Readtheory: You need to complete 4 extracts by Tuesday 3pm.

TTRockstars: Complete 5 games by Tuesday 3pm and try to get your accuracy 90% or above.

Today's maths

1. Daily Doodlemaths task **DO THIS FIRST.**

2. Maths for today: Instruction Translations

	<p>Translate each shape, in order by the coordinates shown in brackets.</p> <p>Colour each shape as per the instructions given.</p> <p>A (4L, 8D) – Pale Blue B (7R, 6D) – Pale Pink C (3R, 6U) – Pale Blue D (4L, 7U) – Red E (11R, 4D) – Pale Blue F (6L, 3D) – Red G (9R, 4U) – Pale Pink H (1R, 10D) – Pale Pink I (2R, 9U) – Brown J (11L, 6D) – Red K (6R, 2D) – Black L (4L, 8U) – Red M (1R, 9D) – Pale Pink</p> <p>Now can you create your own translation puzzle for a partner to solve.</p>
--	--

Follow the instructions to reveal a picture!

The shapes will move to the middle of the grid to form a picture.

Post your picture on the blog!

Instructions and a blank grid are in the files bundle.

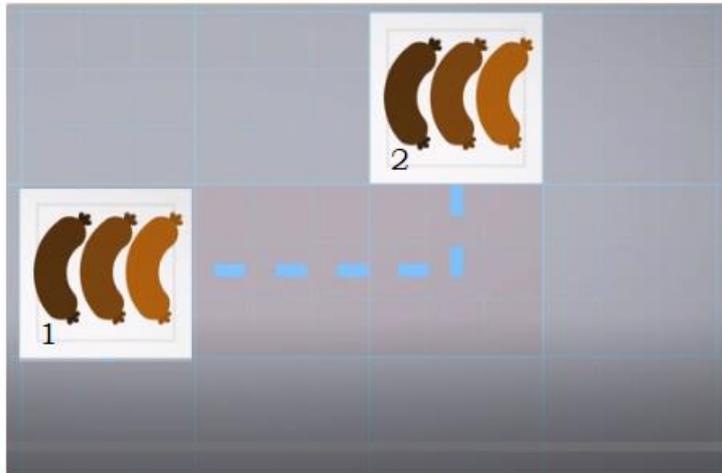

If you want to draw your own grid you will need 20x20 squares.

Year 6 should be find with this as we have covered this.

Year 5, you might need a little bit of a recap.

RECAP:

Each shape has instructions to move ('translate' or slide).

The instructions for 1 to 2 (above) are given like this: (2R, 1U).

- 2R: This means slide the shape horizontally RIGHT 2 whole squares.
- 1U: Then slide the shape 1 whole squares UP.
- Each shape has one set of instructions to move in brackets (...) and then you need to colour it in!

RULES:

- No diagonal (/ or \) slides!
- L = move left; R = move right; U = move up; D = move down
- Numbers = how many squares to move.
- The shape does not change shape!

STUCK? Watch a BBC Bitesize video: <https://www.bbc.co.uk/bitesize/topics/z2dqrwx/articles/zcjs97h>
the first 30 secs of the top video.

Other videos show translation using positives and negatives (Yr6) so you DON'T need those.
Let me know if you are still stuck.

Today's English (3 tasks)

1. Printing

I am printing out diary entries today. If you remember, please: **unshare and reshare your diary entry with me.** That way it will come to the top of my emails. I will then know to print it

all out for you. If I have your DT book cover, I will try to sew the booklets in. I will then send you an email about picking it up.

If your book cover does not have a spine, then it will be treasury tagged.

2. Blog post

Write a blog post **of not less than 150 words** about your school highlights of the year and what you hope for in school for the coming year.

Maybe you were a broadcaster, played sports on a school team, was a hall monitor, enjoyed certain topics... you decide what you enjoyed and what you didn't enjoy. Try and stay away from broad statements - "I hated writing/comprehension" but be more specific and give exact reasons for your choices.

3. Read theory

Make a start on your quota of 4 extracts today.

Whole school curriculum task:

Design your personal coat of arms shield and bring to school next term.

Think about what is important to you - family, hobbies, friends and draw pictures to show this.

One condition: No white showing!

Well-being

Your well-being is important and we need to look after and understand how and why we feel and think what we do. Have a look at the well-being sheet and choose something to do.

Also, have a look at the daily Coram Scarf blog for fun daily ideas.

There is a July PE activity- will you do gold, silver or bronze challenges? How are you doing with these challenges?
