Today's English (2 tasks)

DO NOT START A WHOLE NEW DOCUMENT!

1. Diary entry

1. Unshare and reshare your diary entry with me.

2. I really want to know what you have been doing. Using lots of description and remembering to add your opinions and feelings, what have you been doing in the hot weather?

3. The weekend is coming - you are going to plan a cooking session this coming weekend. What will you do? Some pointers:

- Maybe you would like to prepare lunch (could be a cold lunch) or cook a dinner, or set out and prepare a breakfast or maybe do some baking for the weekend for all to enjoy.
- It doesn't have to be fancy - just be helpful to your folks..
- If you are able to do this, make sure that you clear the table and wash up too - it will be really appreciated! Please don't leave it to your grown up to sort it out!
- You will have to talk with them about the availability of the ingredients and maybe plan a shop.
- If you can, try something new.
- Take photos for your diary on Monday.

2. El Dorado! YESTERDAYS and TODAYS WORK ARE BELOW. BE CAREFUL!

This week, you are writing a diary entry for 4 days for a character in your films. They have not found their 'treasure' yet, but they run into some problems and get out of them this week.

Make sure that you watch the videos - it tells you what to do and gives you examples.

In case you missed yesterday's El Dorado work:

Instructions for WEDNESDAY'S WORK (LitFilmFest El Dorado lesson 14):

WEDNESDAY'S lesson: <https://www.youtube.com/watch?v=z9FCqs5axPo&feature=youtu.be>

Now you have planned what happens on each day, you can write a draft of your diary.

- Remember to include your super sentences from yesterday and write your thoughts and feelings for each day and event.

- Remember to check it makes sense by reading it through, and to use correct punctuation.

Task: Write the final diary, ready to read when you film tomorrow.
Write a paragraph for each day.

INSTRUCTIONS FOR TODAY'S WORK (LitFilmFest El Dorado lesson 14)

If you did yesterday's work, then here is today's:

Today's lesson: <https://www.youtube.com/watch?v=sR6eznlwYOk&feature=youtu.be>

Today's writing and filming challenge is to create freeze frame pictures to present the different events of your diary. Step 1 will be to take the pictures for each of your diary entries, or find pictures to show what is happening. Step 2 will be recording your diary as voiceover on the pictures. You can use a simple video editor to do this such as iMovie, Adobe Spark or Quik.

Tasks:

Today's challenge:

- Record your diary, creating freeze frames and voiceover to show what happen on each day.
- Keep the camera still so the viewers don't feel sick!
- Speak slowly and clearly - do a test first to make sure you can be heard.

It is fine if you have other ways of recording your story - comic strips, animation... Any problems, let me know.

Whole school curriculum task: Music

This week, you are challenged to make a music instrument. There will be an opportunity to play it in assembly on Friday and to send in audio of you playing it to go on Mr. Rockey's Media Wall on the website. Remember to send in photos!

Well-being

Your well-being is important and we need to look after and understand how and why we feel and think what we do. Have a look at the well-being sheet and choose something to do.

Also, have a look at the daily Coram Scarf blog for fun daily ideas.

There are a number of well-being files on the website that Mr. Rockey has put up. Have a browse.

Have fun! Mrs. T.
