Calculations: 10 minutes

28.04.20

Calculations

- |   |   |
|---|---|
| 1. Third of 42                            | 1. Prime numbers between 60-90                  |
| 2. Factors of 50                          | 2. four cubed (think)                           |
| 3. Prime numbers to 30                    | 3. 4.7 - 9.8                                    |
| 4. Triple 16                              | 4. Round to nearest 1,000: 19559                |
| 5. Double 94                              | 5. Half of 23.99                                |
| 6. $2^3$                                  | 6. $4.3 \times 47.4$                            |
| 7. Half of 59                             | 7. $6472 - 95.682$                              |
| 8. $38 \times 487$                        | 8. $17.5 + 3.72 + 4.509$                        |
| 9. $3826 - 2967$                          | 9. $7352 \div 29$                               |
| 10. $6473 \div 8$                         | 10. $7^3 - 6^2$                                 |
| 11. $\pounds 27.32 + 863p$                | 11. Volume of a cube with 7cm sides             |
| 12. $12^\circ\text{C} - 21^\circ\text{C}$ | 12. Perimeter of a hexagon with sides of 11.7cm |

Fractions: 10 minutes - but see if you can do something new. Use your prompts.

28.04.20

Watch out for simplifying!

10 minute fractions

1.  $\frac{8}{9} - \frac{5}{9}$

2.  $\frac{11}{16} - \frac{1}{4}$

3.  $4 \frac{3}{5}$

4.  $\frac{37}{5}$

5.  $4 \frac{5}{7} + 2 \frac{1}{3}$

6.  $\frac{3}{15} \times \frac{2}{3}$

7.  $\frac{5}{6} \div \frac{10}{12}$

8.  $3 \frac{3}{4} \div \frac{2}{7}$

9.  $3 \times \frac{7}{20}$

10.  $3 \frac{5}{6} \times \frac{9}{11}$

11.  $4 \frac{1}{7} - 3 \frac{6}{8}$

Remember, in the back of your blue book was a pack of fraction prompts. I would like you to have a good at most of these today. Remember, you can always Google how to do these calculations (as you are on a device!).

## MATHS TASK

If you get stuck EMAIL ME. PLEASE DON'T STRUGGLE or make your folks struggle.

Year 6: Word problems with fractions of amounts. 3 sorts. Remember, you need to convert both the fractions into the same denominator (equivalent fractions) before you work it out.

Year 5: Fraction word problems: 3 sorts. Try to challenge yourself! Let me know if you feel you can't do them. You will need to convert both the fractions into equivalent fractions with the same denominator (remember, whatever you do to the bottom, you do to the top).

### Need a new blue book?

**They can be collected from the gazebo at school when you are out on your exercise.**

## ENGLISH

### Lockdown diary entry:

1 paragraph using 4 different pieces of punctuation.

This is about your experience of lockdown. Answer these questions in your paragraph (or more).

1. What fun thing did you do yesterday? What are you wanting to do today?
2. If you have a pet/s, what have they been up to? Maybe spend some time with them today and then write what happened when you were with them. Or maybe they have done something funny this Lockdown that you can write about. What is a day like for them?
3. If you don't have pets, have a think about what a day looks like for other members of your family.
4. Tomorrow you are going try to do a secret good deed for someone/thing (pet). Have a think what you could do. No need to write about it, but I would like you to write about it tomorrow.

### Comprehension

There is a Yr5 and a Yr6 comprehension. You may choose which one you wish to do depending, how confident you feel. They are on the same topic Usain Bolt.

Try to read from a screen and write the answers in your blue book.

## **ONLINE LEARNING**

Doodlemaths - Daily. If it doesn't work, try a different device or try the iPad app. (if you have an iPad)

Spellingframe - Daily - Rule 41 practise and test. Try to get over 70%. You may need to practise a few times. Give yourself time to do this.

ReadTheory - 12 comprehensions by Friday 5pm.

TTRockstars - 20 games by Friday 5pm.

## **CURRIULUM LEARNING:**

Check out the information for the GREAT WESTWOOD BAKE OFF on yesterday's sheet. Photos please for the gallery.

## **A BIT OF FUN!**

Megan S. has another picture song quiz for you on the blog. Leave her a comment with your answer in. Thank you for the fun, Megan!

Anyone else want to create a picture quiz? Send me your pictures!

Any problems, email me and I will try to help.
