## AFTER SCHOOL CLUB

Dear Parents,

I am pleased to inform you that, from September, we will be able to offer an after school activity club which will run from 3.15pm until 5.15 pm on a Monday and a Tuesday. This will be in addition to the range of clubs that we already provide and is aimed at offering working parents the opportunity to leave their child until later in the day to fit in with their own work commitments.

The cost per child will be £9 for the two hour session, or £5 for a one hour session, if they choose to attend one of our other after school clubs and then attend the activity club.

If you know that you will be using the after school activity club, can I please ask that you pop into the school office where you can both register your interest and pay in advance for the first term back in September, as we will be offering the chance to book a term in advance at a reduced rate of 10% for a block booking and for further siblings within school who attend also. Alternatively, we are able to invoice parents on a termly basis.

I hope that the after school activity club is as successful as our breakfast club and I am proud that, as a school, we are able to offer wrap around care to our community.

Kind regards
