Wednesday 16th October 2013

Dear Parents,

It has been brought to my attention, once again, that some parents are parking their cars inconsiderately in Boswell Road when bringing their children to school and collecting them at the end of school. Can I please remind you that we have a good relationship with the local residents and if you do need to drive to school, that you park further down the road beyond, or even in, Tynings Way. I appreciate that some of you come to us from a distance, but it is not fair to local residents to park across drives and mounted on pavements in front of their houses and garages.

I am currently in negotiations to find a solution for parking near the school and will let you know the details as and when they are confirmed. In the meantime, please can I ask that you take care when parking, so that we keep our children safe.

Can I also please ask that if you walk your dog to or from school, that you leave them tied to the fence next to the large gate in the staff car park when collecting children and not to bring them onto the playground. This way, they will be at a safe distance from any children walking on or off the school grounds, as some children may be frightened by dogs.

Thank you once again for your consideration and understanding.

Ian Rockey
Head teacher
