Dear Parents/Carers,

After another wonderful year at our school with so much to celebrate, it felt right to end the year by writing to you all to thank you, once again, for the tremendous support, time and encouragement that you give our children and our school. We all value our parent community so highly and I would also like to give an enormous vote of thanks to our incredible FoWs team who have worked so hard for us this year. Thank you all.

This time of year is, of course, a time to say goodbye. To our amazing, talented and thoughtful Year 6 children who are all progressing to the next stage in their learning journey, we say good luck and thank you for everything you have done for our school. It has been both a pleasure and a privilege to know you, work with you and to watch you progress over the years. Dylan, Finn, Isabel, William, Freddie M, Freddie P, Georgia and Lizzie we will miss you all terribly and wish you every success. Please come back and see us! To the children who will be a part of our school community after the summer break I would like to say an enormous well done for all of the hard work, energy and fun you have brought to your learning this year. I am very much looking forward to another year of exciting opportunities next year.

We are very lucky to have such a wonderfully committed staff here at our school that make each and every day a pleasure and I would like to thank them all for their continued dedication. I do feel that we have a great team who all work with incredible cohesion and humour to get the very best from our children and I wish them all a well-deserved break over the summer. We do have two members of staff leaving us this summer. Ms Pasmore and Mrs Whittaker who, in their roles as TAs in Orchid and recently in Thistle class this year, have given the children wonderful support with their learning. Thank you both so very much for everything you have done and you will both be missed from our team.

I am incredibly proud to be head teacher of Westwood with Iford School. It is a fantastic job to hold and each year holds so many exciting and fresh opportunities to give children the best possible experiences in their primary education. I am already looking forward to more of these next year, but until then can I wish you all the most amazing summer and restful time with your families.

Very best wishes
