

Friday 27th March

Good morning Sunflower Class!

I hope you are all well and that you had a great day yesterday. Did you enjoy the activities? I made a start on my weather chart here in Frome – well Elsa is doing it for me! I look forward to comparing them soon.

Elsa and I took part in a virtual art lesson today. It was really good fun. Do you like my drawings?

If your parents have Facebook ask them to look up 'Simon Hetherington'. While schools are shut he is running online lessons on a Monday and Thursday at 10:30am. If you join in next week I would love to see your pictures.

Here are your learning activities for the day.

If you have any questions, please email me.

Have a lovely weekend.

Mrs Rosier
