Dear Parents & Carers,

I am writing to request that from this Friday, children no longer bring electronic toys and devices to school for use during golden time. I understand how much children enjoy this part of the week, but I have always wanted traditional play to remain at the heart of this special time, which children work hard to earn throughout the week.

In recent weeks, I have felt that the use of electronic toys has, in some cases, moved away from this and so I am asking that from now on, no electronic toys and devices are to be brought in on a Friday. Not only will this encourage a more social approach to play, but it will also ensure that expensive items are less likely to be lost or broken.

Once again, can I thank you for your support in this matter and I look forward to seeing more board games and top trumps again!

Kind regards
