Dear Parents/Carers,

As part of our on-going commitment to offering a range of after school clubs for your children to take part in and enjoy, I am delighted to inform you of a golf club that will be starting next Wednesday.

Dave Stockley, an experienced golf professional, is already working with other schools in the area and has offered a free taster session from 3.15-4.15pm next Wednesday 25th September for up to 20 children who would like to take part, on a first come first served basis. He would like to encourage children of all ages to take up the sport and is enthusiastic that golf should be made accessible to everyone, both boys and girls.

If there is enough take up for the club, it will continue to run on a Wednesday after school for an hour and can be undertaken either indoors or outdoors, with all equipment provided. There will be a nominal charge of £2 per child for the hour each week.

If your child would like to take part, please complete the reply slip below and return to school, so that we have an idea of numbers. I hope you enjoy the opportunity and have fun!
