Dear Parents

As governors of the school it is important that we gather as much information about the progress the school is making as possible. Governors go into school as often as they can, meet regularly to discuss the school and talk to parents when we can.

We would however like to gather more parental views on the education their children receive and their overall happiness at school. We have therefore attached a short questionnaire to give you the opportunity to let us know what you think. The governors are also planning a 'Meet the Governors' event where you will have the opportunity to hear plans for the future as well as discuss as a group or individually any aspect of your child's education, should you wish to. A date will be circulated via the newsletter this term.

The questions attached are a general guide; please feel free to use the last box to express any other views. It would be useful to complete some aspects with your children where appropriate.

Yours

Sean Wyartt

Chair of Governors
