Monday 8th September 2014

Dear Parents,

Guitar Lessons

Your child attended a special assembly this morning, hosted by music tutor, Mark Witney.

As part of their comprehensive introduction to the principles of playing guitar, they were treated to an explanation and demonstration of the workings and sounds of a number of instruments including:-

Classical Guitar;
Acoustic Guitar;
Electrical Guitar;
Ukulele and
Mandolin.

Mark already comes into school each week to teach guitar. If your child was inspired by the live music today and is interested in learning any of the above instruments, please contact him on 07966 183597.

Kind regards,

A handwritten signature in cursive script that reads 'J. Batten'.

Joanita Batten
