Dear Parents,

### Head Lice

We have been informed by some parents that head lice are currently visiting the school! They are always a particular problem at this time of year when it is cold outside and the central heating is on inside.

Please can you to read the enclosed information leaflet and be vigilant about combing your child's hair regularly. It would also help a lot if children with long hair could keep their hair tied back if possible.

Many thanks for your co-operation in this matter.

Yours sincerely,

A handwritten signature in cursive script that reads 'J. Batten'.
