Mother's Monday

Dear Parents/Carers,

As you will know, next Monday we are welcoming mums and significant females in our families to spend as little or as much of the day with your child or children in school as you would like. This will be a very relaxed day and you will get the chance to take part in the same learning that your children experience. We are very much looking forward to it and hope to see many of you in school.

You may also be aware that, as a school and particularly in Orchid Class, we are keen to support a local charity, the Helen Hodgkin's Trust, which works hard to provide clean water for families in Ghana. They are running a Mother's Day challenge this year, as the Helen Hodgkin's Trust was set up in memory of Emma Hodgkin's mum, Helen. More information can be found here: <http://www.helenhodgkinstrust.org/events/2017/3/12/facebook-mothers-day-challenge>

We are supporting this in our own way by trying to photograph as many mums and their children during Mother's Monday as possible, which we will then put on our blog. It would also be lovely if you are able to donate £2 towards this cause, as this will provide 4 mums in Ghana with clean water for 5 years. Of course, there is no obligation and if you would rather not be photographed, please can you let us know by returning the slip below to the office.

We are very much looking forward to seeing you in school and I hope you all enjoy our Mother's Monday.

Best wishes

A handwritten signature in black ink that reads "Ian Rockey".
