Tuesday 8th December 2015

Dear Parents/Carers,

I have been made aware of a number of photos from our Friday celebration assemblies which have made their way onto social media websites, in particular Facebook.

As you know, safeguarding our children is at the very centre of our school and we take the eSafety of our children extremely seriously. For this reason, we always ask for your consent before we use images on our blogs or websites, omitting any names or identifying characteristics for their safety.

Can I therefore please remind all parents that any images or video taken from school events that include children other than your own should not be posted online. As I have said before at my eSafety talks, once the information is on the web, it will remain there forever and could potentially put our children at risk.

Thank you once again for your cooperation and understanding. Keeping the children within our school community will always be our top priority and by working together we can achieve that more successfully.

A handwritten signature in black ink that reads "Ian Rockey".

Ian Rockey
