

One Month of Free Martial Arts!

Dear Parents,

Just in case you haven't heard...

Martial arts is at Westwood with Iford Primary School!

The Warrior Academy – our local Martial Arts organisation are offering **all children** at our school another **one month of free Martial Arts sessions!** This is open to every student on a *first come first serve basis*.

Instructor Nick, Deputy Head at the Warrior Academy explains:

“ We teach our students a multitude of skills. The students who join us learn traditional Martial Arts from several disciplines including Tae Kwon Do, Kickboxing and Muay Thai as well as practical self-defence techniques. Yes, our students learn to be more safety conscious and to avoid danger, but we believe that Martial Arts is about far more than just 'defending yourself' – of even greater importance is the development of **strong values**. Values of *self-control, perseverance, respect, and leadership*.

We're helping children gain **extremely** high confidence and focus – parents report better behaviour at home, teachers report better focus and grades in class! It's our mission to spread awareness of martial arts across the country! ”

Once the month has come to an end pupils will have the opportunity to join the club on a long term basis which currently runs **once per week on a Tuesday as a 4:50pm-5:50pm afterschool club**. They also provide fun days and camps for all students every single school holiday (even this half-term!).

The 1-month of free martial arts will begin on **Tuesday, 1st October** and continue **every Tuesday** from **4:50pm-5:50pm**. In the unlikely event that your child decides that they do not wish to continue with the Martial Arts classes, there is no commitment to join after the 4-week trial period.

For your child to participate in the taster sessions we ask for you to **fill in this information slip and hand it back to the school ASAP!**

Feel free to visit their website to find out more about this exciting Martial Arts program!
