Dear Parents/Carers,

I hope you all had a lovely half term and a restful time with your families. It was brought to my attention after the recent school disco that a number of children had brought mobile phones and devices to the event and that their use had changed the atmosphere somewhat amongst our school community.

On further discussion with members of our school community, it would appear that a number of children are also bringing mobile phones and devices onto school grounds and this is causing similar concerns.

Can I therefore please ask that, both for the safety of the children's belongings and to avoid any further incidents, that children do not bring any personal mobile devices onto school grounds.

Thank you for your support and cooperation in this matter and can I wish you a wonderful term.
