

Hello from Mrs. Tyler

Hello Orchid!

Hope you had an ace holiday and managed to get out a little bit more.

REMEMBER TO CHECK YOUR EMAILS EVERY DAY!

This week, there will be no paper based extra maths and English for you, as the staff are busy preparing school and planning for those who are coming back next week (and for those who are home based).

So your tasks this week are:

1. The 2 whole curriculum learning tasks

- Science selfie
- Wildlife Trusts 30 Day Wild Challenge

2. Daily Doodlemaths Monday-Friday

3. 12 ReadTheory comprehensions by Friday 4pm

4. 20 games on TTRockstars by Friday 4pm

5. Daily diary entries (remember to un-share and then re-share) I will comment at least on Monday and Friday this week.

Monday: Write what you did during the holidays. I am expecting 2 descriptive paragraphs (or more).

Tuesday-Friday: Each day write at least a paragraph about what you have been doing, who you have seen and what you have enjoyed **BUT CHECK THE MORNING'S EMAIL FOR DETAILS.**

Remember to send in photos of your challenges. If you look on the BLOG there are a few photos that some of you have asked to be put up during the holidays. It would be lovely if you could write some constructive comments on them.

If you have any issues, then let me know.

Have a lovely day,

Mrs. T.
