

PARENTAL QUESTIONNAIRE January 2014

WEBSITE		
Do you access the website?	Yes	No
Do you feel the website supports your child's education?	Yes	No
Does the website tell you what you want to know?	Yes	No
How do you feel the website could be improved?		
LEARNING		
What progress have you seen in your child's learning since September?		
What areas of learning do you feel your child needs to focus on? What does your child say they enjoy?		
Do you feel you have been well informed about the progress, what your child is doing, and what they need to do next?		
Can your child tell you what they have learnt that day?		

Do you feel able to help your child with homework?	Yes	No
What can the school do more of to help you support your child?		
WELLBEING		
Do you feel your child is happy to come to school? If not, why?	Yes	No
Is the school a safe place to be?	Yes	No
Is there anything you would like the Governors to consider concerning wellbeing in the school?		
Please use this box, or the back of the form, to add any further details/points you would like the Governors to consider, for example, do you think the Governors of the school are visible and approachable? Do you think your child is sufficiently prepared for senior school?
