Dear Parents,

As we get into a new term, just a reminder, please, about parking.

Once again can I please ask that, if you drive to school, that you take extra care and caution.

I was contacted by a local resident yesterday who was most upset that cars that were either parked immediately outside their drive, or using their drive as a turning circle. I have also noticed some parents still using our car park at drop off and pick up times.

As I have reiterated in the past, parents are not permitted to park in the school car park at drop off and pick up and that we need to be mindful and considerate when parking - away from the school and immediate Boswell Road area, particularly when children are walking to school and using the pathways and pavements.

Once again, thank you to those of you who take extra care when bringing your children to school. I am keen to maintain the good relationship we have with our local community.

Kind Regards,
