Dear Parents,

As we have arrived at the end of another busy and successful term, I felt it pertinent to raise just a couple of issues surrounding the safety of our children and our relationships with our local community.

You will remember that in the past I have written to you asking that parents should not bring their cars into the school car park at the beginning and end of the day. This is primarily for the safety of our children and from January the school gates will be closed to all but staff and the taxi from 8.45am.

You have always responded well to requests however, I have noticed that some cars have been left right outside our school gates and outside private garages behind the school. We have a very good relationship with our local community and I am keen to preserve this. Can I, therefore, ask that all parents park considerately and thoughtfully in spaces away from the school that do not impact on local driveways and parking areas. Thank you.

With Christmas fast approaching and this, my last opportunity to do so, can I wish you all a wonderful Christmas and New Year.

A handwritten signature in black ink that reads 'Ian Rockey'.
