Dear Parents/Carers,

I hope you all had a wonderful Easter with your families and we are now firmly back into the swing at school at the beginning of a new term.

With that in mind, I am asking for your help, please. Have you got some time that you could regularly spare to help support children at our school with their reading? It has been proven that children who are regularly supported with their reading make more rapid and secure progress than those who have little access to books.

We would be particularly grateful if you were able to share books with our KS2 children in Lotus and Orchid class for perhaps one session a week as this would support their reading development and the work that is being carried out in class.

If this is something that you feel you could help with, please let either the class teachers or the office know and we would love to have you in school. No training is required, just an enthusiasm for books and a willingness to share with our fantastic children.

I look forward to hearing from you.

Many thanks

A handwritten signature in black ink that reads 'Ian Rockey'.
