9th December 2015

Dear Parents,

We have recently had a number of complaints about cars in the area of the school gates both before and at the end of the school day. As this is an issue we have addressed in the past we feel it is pertinent and important to revisit for your safety.

Some drivers are turning at the school entrance which is clearly dangerous as there are many children and parents on foot in this area and it would be terrible for all concerned if an accident happened.

We have also seen an increase in cars being parked without consideration for families who are walking, by blocking the paths or parking on the pavement.

We have a good relationship with the local residents and if you are driving to school, you may park safely further down the road, and we ask you to show respect to our neighbours by keeping clear the access to their drives.

Yours sincerely

Helen Evans

Admin and Finance Officer
