Dear Parents/Carers,

## Before and After School

You may remember that I wrote to you earlier this year with regards to children playing on the school field and grassed areas before and after school. It has been brought to my attention that this is still taking place, with children regularly playing on the field and in and around the wild area, garden patch and pond area after school.

Whilst I appreciate that these are areas where children would choose to play, they also pose potential hazards if children are unsupervised. Can I please remind all parents and carers that your children are your responsibility until the bell is rung at 8.55am in the morning and once you have received your child at 3.15pm in the afternoon. Can I please also ask that whilst the weather is inclement, children do not play on the field or grassed areas without mats as these areas very quickly become very worn and muddy.

## Car Parking

A quick reminder that parents should not be bringing their cars into the school car park at the beginning and end of the day. Our car park is very small and doing so poses a health and safety risk for our children as they are arriving and when they are leaving to meet their parents. I am sure you are as keen as I am to avoid any potential incidents.

Thank you for your help and support once again.

Best wishes

A handwritten signature in black ink that reads 'Ian Rockey'.
