Dear Parents,

We hope you are enjoying using the Tapestry learning journey to have a peek at what your child is getting up to at school. If you have not done so yet, then please do. I really enjoyed using it myself last year when my daughter was in reception. I have been on to the site today and updated the settings so from now on, you will receive an email from them when a new observation has been uploaded.

It is available as a free App which makes it even easier to see your child's achievements. There is the option of adding a comment which is always lovely to see. We will be printing the journals off at the end of the year and I believe the comments would be printed too so it would be a lovely addition for your child to look back on in the future.

If you have any questions, please do come and see me.

Thank you

Lisa Rosier
