

Reception Learning Activities	
Phonics	<p>Practise all of your sounds using the phoneme flashcards in your home learning packs.</p> <p>Sing along with 'Boom Shake the Alphabet' https://www.youtube.com/watch?v=Emb2yvwAHtc</p> <p>Practise all your tricky words using the flashcards – perhaps your grown-ups could organise a sound/word scavenger hunt?</p> <p>Read your reading books with a grown-up. Record your reading in your reading log</p>
Phonics/English	<p>Work through the phonics lesson provided. Make sure you do the phonics lesson for your phonics group.</p> <p>Write in your home learning book</p>
Maths	<p>Practise ordering numbers to 20. Play Caterpillar Ordering, remember not all numbers are in the sequence so you will need to think carefully about some of these.</p> <p>https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering</p>
Topic – Science	<p>Please follow the Year 1 Topic plan below</p>

Year One Learning Activities	
Phonics	<p>Practise all of your sounds using the phoneme flashcards in your home learning packs.</p> <p>Sing along with 'Boom Shake the Alphabet' https://www.youtube.com/watch?v=Emb2yvwAHtc</p> <p>Practise all your tricky words using the flashcards – perhaps your grown-ups could organise a sound/word scavenger hunt?</p> <p>Read your reading books with a grown-up. Record your reading in your reading log</p>
Phonics/English	<p>Work through the phonics lesson provided. Make sure you do the phonics lesson for your phonics group.</p> <p>Write in your home learning book</p>
Maths	<p>I would like you to play the game I have attached with a grown up or an older sibling. It is an addition game within 20. If you do not have counters at home, you could use pieces of coloured paper or you could write your name in the square.</p>
Topic – Science	<p>It looks like Spring is finally here... I thought it would be nice to keep a weather chart that we could then compare. I live in Frome, so a different town to all of you. I wonder if I will have different weather at all? I have attached a chart that you could use. Perhaps a grown-up could add the temperature to your chart. You could draw pictures in the boxes or write words. If you are not able to print it out then please record the weather in your home learning books.</p>
