

Thursday 26th March

Hello Sunflower Class!

I hope you are all well and that you have been enjoying your home learning activities, spending lots of time with your families and playing outside in your gardens. It has been lovely to see so much sunshine this week!

I have been busy helping Elsa and Stanley with their learning, walking my dogs and thinking about what activities I can find for you to all have a go at!

Here are your learning activities for the day. Please remember to ask your grown-ups to send something across to either Miss Williams or I as we would love to see what you have been doing!

If you have any questions, please email me.

Mrs Rosier
