

Miss Bartlett's Phonics Group

We have been looking at alternative spellings for the phoneme **igh**

I have attached a worksheet – Phoneme Spotter. I would like you to read through the text and see if you can find all of the different **igh** spellings. If you have a printer at home, see if your grown-up can print it off for you and you can underline the words. If not, you could write down the words as you find them in your home learning book.

The answers are also attached so your grown up can check your work.

Enjoy!
