

## **Lotus Class**

### **Daily Plan**

Good morning Lotus class, here is the work I am setting you today.

#### Times tables

Today I would like you to practise your times tables of the week using the division facts test below.

Fill in the first number on the sheet or write out the test in your home learning book before you begin.

You can time yourself and write down your time if you like.

1)  $\_ \div 9 = 2$

2)  $\_ \div 9 = 4$

3)  $\_ \div 9 = 7$

4)  $\_ \div 9 = 9$

5)  $\_ \div 9 = 6$

6)  $\_ \div 9 = 5$

7)  $\_ \div 9 = 8$

8)  $\_ \div 9 = 3$

9)  $\_ \div 9 = 11$

10)  $\_ \div 9 = 1$

11)  $\_ \div 9 = 12$

12)  $\_ \div 9 = 10$

#### Maths

Today I would like you to do some quick mental addition. A few strategies are shown below. A strategy which always works is to add the tens and add the units and then add the two answers.

E.g.  $34 + 56$      $30+50 = 80$      $4+6= 10$      $80+10 =90$

#### Reading

Enjoy reading a book. Try to aim to read to an adult 3 times a week and also enjoy reading by yourself.

### English

Use the picture below to write a story on the class blog. Try to include some good vocabulary, openers, conjunctions (e.g. however, although) and punctuation.

### Spellings

Today I would like you to use our spelling words to practise your handwriting. Write a line in your book of each word. Make sure you check you are spelling the word correctly and using your best handwriting. If you prefer, you can download the 'Continuous Cursive Handwriting Practice Sheet' and use this instead of writing in your book.

### Doodle Maths

Please login and do your 'X a day' (e.g. your 5 a day).
