

Lotus Class

Daily Plan

Good morning Lotus class, here is the work I am setting you today.

Times tables

Today I would like you to copy and complete the tables test for our tables of the week.

1) $10 \times 9 =$

2) $2 \times 9 =$

3) $_ \div 9 = 7$

4) $4 \times 9 =$

5) $_ \div 9 = 6$

6) $9 \times 12 =$

7) $_ \div 9 = 8$

8) $_ \div 9 = 3$

9) $9 \times 11 =$

10) $_ \div 9 = 1$

11) $9 \times 9 =$

12) $_ \div 9 = 10$

Maths

I would like you to practise your times tables today by logging into ttrackstars and completing the games I have set for you. The games will be set from 8.45am on Thursday morning.

Reading

Enjoy reading a book. Try to aim to read to an adult 3 times a week and also enjoy reading by yourself.

Writing/Topic

Use your research from earlier in the week to write an information text, google slideshow or blog post on the Romans. Write your information in full sentences, using headings to split your work into themes. For example you might write about when the Romans came to Britain, what they introduced to our country (food, buildings) or life in the army. If you are using your home learning book, aim to write a page. Include some pictures/drawings to engage your reader.

Spellings

Today I would like you to write sentences in your home learning books using our spellings. If you are unsure of the meaning of any of our words, then look them up before writing your sentences.

Doodle Maths

Please login and do your 'X a day' (e.g. your 5 a day).
