

Lotus Class

Daily Plan

Good morning Lotus class, here is the work I am setting you today.

Times tables

Today I would like you to ask an adult to test you by saying the tables and you writing it down. Or you could test yourself, by writing the questions and then going back and answering them. You could use a previous test from the week if you like. Write down your score and time afterwards.

Maths

Today I would like you to complete the big maths challenge:
Clic 13 Wk 1

Please write your answer in the next page of your home learning book, rather than filling out the worksheet as we may use these again.

Tick your answers after finishing. If you got one wrong, try to work out why and have another go.

Reading

Enjoy reading a book. Try to aim to read to an adult 3 times a week and also enjoy reading by yourself.

English

I would like you to have a go at the attached uplevelling activity, either on the worksheet or in your books.

The 3 stages are:

1. Begin your sentence with a fronted adverbial (ED ING or LY opener)
2. Use modifying nouns and adjectives to create expanded noun phrases. (Add adjectives - see example on answer sheet on second page).
3. Add a subordinating conjunction to give extra detail (because, however, although, nevertheless, on the contrary etc).

The second page has an answer sheet to give you some ideas.

When you have completed this, try doing the same process for 3 more sentences of your own.

Spellings

Today I would like you to practise your spellings and then ask an adult to test you. If you get any wrong, then try to write them out a few times to learn them.

Doodle Maths

Please login and do your 'X a day' (e.g. your 5 a day).
